Sleep

Switchblade Symphony

I don't feel good
I don't sound good
I don't look good
I wish I was rightI don't feel good
I don't sound good
I don't look good
I wish I was rightI watch you sleep
Away the time
I watch you sleep
Sleep tightAm I a little liar
Hiding below your bed
Am I a little liar
Wish I was rightAm I a little liar
Laying below your bed
Am I a little liar
Wish I was rightI watch you sleep
Away the time
I watch you sleep
Sleep tightI watch you sleep
Away the time
I watch you sleep
Sleep tightLook at my bricks,
My bricks I am laying
Look at my bricks,
My bricks I am laying
Down, down, down,
You'll fall
Down, down, down,
You'll fall
Down, down, down,...
