

All I Need

Heather Nova

Can we love each other
And respect each other?
Find some joy together That's all I need
All, all I need
That's all I need
All, all I need I don't want your money
Or your time
Just a heart that's beating
With mine That's all I need
All, all I need
That's all I need
All, all I need Here
And when you've got to look
On your shoulders
You'll see I'll be there for you
Like you'll be there for me 'Cause that's all I need
All, all I need
That's all I need
All, all I need That's all I need
All, all I need
All, all I need
All I need
That's all I need
I need So simple
We can move
We can just give it up
Give it up, give it up
Feel heart now that you're all I need
All, all I need
All I need
I feel
[Incomprehensible]
That's all I need
