Mad Love

Britney Spears

It's a crazy little thing called mad love
It goes something like thisTangled up in you, uh
Twisted like I've never been before
I don't know what you do
All I know is I want a little moreI don't care if the way that I act doesn't make much sense
When you're near, something in me reacts and there's no defense
I don't mind if everybody's saying that this ain't real
All that matters is how this feelsI'm falling deeper, so fill up my cup
Nothing tastes sweeter than mad love
I know I should, but it's so good, I'm never gonna give it up
'Cause nothing tastes sweeter than mad love
OhI wanna take you in (Come here)
A velvet rush is running through mad veins
Like adrenaline, a kiss from you and I'm going so insane
I don't mind if everybody's saying that this ain't real
All that matters is how this feelsI'm falling deeper, so fill up my cup
Nothing tastes sweeter than my love
I know I should, but it's so good, I'm never gonna give it up
'Cause nothing tastes sweeter than mad loveI'm falling deeper, so fill up my cup
Nothing tastes sweeter than mad love
I know I should, but it's so good, I'm never gonna give it up
'Cause nothing tastes sweeter than mad love
