

# Heartstrings

Leighton Meester

Doing fine all on my own.  
'Cause I know that's right for me.  
Now you're feeling all alone.  
I bet you're sorry now but that's what you wanted.

Save it from all your evil games  
And now it ain't the same  
You will have no such luck to try to come inside  
And then to be denied Tie my heartstrings  
I tie my heartstrings oh  
Tie my heartstrings  
I tie my heartstrings oh Now you know I'm doing well.  
You try to catch me when I'm finally free.

I bet you're sorry now but that's what you wanted.  
You took me for granted all the time. Had to save my heart  
Save it from all your evil games  
And now it ain't the same  
You will have no such luck to try to come inside  
And then to be denied Tie my heartstrings  
I tie my heartstrings oh  
Tie my heartstrings  
I tie my heartstrings oh Tie my heartstrings  
I tie my heartstrings oh  
Tie my heartstrings  
I tie my heartstrings oh I was fighting, for you  
Now I'm fine, but you  
(For you) Have a new
