Same Old Story

Taste

Gallagher
Same old story, night and day,
Same old story since you went away.
I'm walking out my shoes,
You can't count the tears I spill.
Come back baby,
Your place no one can fill,
It'll be the same old story,
Yes it will.
Same old story, I can't believe,
Same old story, that you wanna leave.
Without you it's a nightmare,
And the air is chill,
Get the next train home,
Your place no one can fill,
It'll be the same old story,
Yes it will.
Same old story, am I really down?
Same old story, in this one horse town.
Walking out my shoes,
You can't count the tears I spill.
Come back women,
Your place no one can fill,
It'll be the same old story,
Yes it will.
Same old story, am I really down?
Same old story, the earth goes round?
Walkin' out my shoes,
You can't count the tears I spill.
Come back baby,
I'm standing by the window sill,
It'll be the same old story,
Yes it will.
