

Civil War And Isolation Thirst

I Am Ghost

Two in the mornin' and it's last call,
The taste of wine spirits that's tattooed on my collar, yeah,
And I am sober, and the bouncers are all dead,
With the night we kissed from the love I missed, I will drink tonight!
She says, "Lets put this stake right through our heart,
To kill all the loneliness babe, We'll never be apart!
Soon we'll see the sun rise, Soon we'll see the sun again.(I have my best suit on!I'm so tired, it's killing me
as she slits my throat with the pen I wrote,
"Civil War and 13" Sever the letter,
You love it, you need it, I can't die tonight, oh, no, no, no, no, no!!!And I'm still sober, and the bouncers are all
dead,
With the night we kissed, and the love I'll miss, I will drink tonight!
She says, "Lets put this stake right through our heart,
To kill all the loneliness babe, We'll never be apart!
Soon we'll see the sun rise, Soon we'll see the sun again.
We'll see the sun,
We'll fall in love
See the sun, we'll fall in love, again
Last dance with the silence,
I was so in love, you know I appreciate it
I can not take it, never, NEVER again!?
She says, "Lets put this stake right through our heart,
To kill all the loneliness babe We'll never be apart!"
Soon we'll see the sun rise,
Soon we'll see the sun
(2x)
Again
