

# Money For The Weekend (Pocket Full Of Shame)

Alberta Cross

. half for the limit i got a ceremony . hit the town  
. ask for a limit I get to and I ask for a limit  
There is your money for the weekend  
I got a pocket full of change  
There is your money for the weekend  
wild for the limit  
I get . for the limit  
never ask for the  
There is your money for the weekend  
I got a pocket full of change  
There is your money for the weekend  
There is your money for the weekend  
I got a pocket full of change  
There is your money for the weekend
