To the Last...

Bolt Thrower

Advisory - the following lyrics contain explicit language:

Resolute to the last
Leave no trace, no epitaph
Far beyond known territory
Throughout times infinityAll now gone turned to dust
Instinct survival none to trust
Fragmented lost identity
Non-existence realityTo the lastSuperior conflict strategy
Ultimate war machine rolls on
Technology totally outclassed
Casualties near total to the lastA lone survivor, the outcast
All is lost to the last
