

# The Fat Man

## Tipitina

{The first thing I recorded, I'm gonna play right now  
It was called a fat man and I recorded it in 1949}They call, they call me the fat man  
'Cause I weigh two hundred pounds  
All the girls they love me  
'Cause I know my way aroundI was standin', I was standin' on the corner  
Of Rampart and Canal  
I was watchin', watchin'  
Watchin' those people gatherI'm goin', I'm goin' goin' away  
And I'm goin', goin' to stay  
'Cause we be in this fast life  
[Incomprehensible] this goin' away
