

# Haven't You Heard (Album Version)

[Jeff Buckley](#)

Your wish is my command!  
Have you heard this talk about eye contact  
Gonna be the downfall of this town.  
First the photographs take you to the right hands.  
Leads you to the authority mold.[Chorus:]  
Paranoia will write the world prayer  
Make sure that you fit in the right holes  
But when you take his offer, you're done for,  
Done for, oh!Phantoms in pockets, we're in panic,  
Making order in total disgust  
Oh, they read a list of all who cannot stay  
Take you down, on the ground.[Chorus]Make sure you learn to beware your neighbor  
Bolt the doors and hire your guards  
Suck your life with their virus called language  
Someone told you this all would go down.  
And the last thing you see is the luster,  
Hold the razor, goodbye to your friends  
Would your underground please call the mayor,  
Call the neighbor, call your friends.[Chorus]Well, when he first saw you, you'd need no protection  
I train my eyes on your mouth, you'll learn to take him.  
Hmmm. It's a brand new power.My friends had her questions right  
Beware your neighbor  
Haven't you heard, haven't you heard  
That we're done for. Oh.  
Learn to beware your neighbor  
And the right mode  
Haven't you heard?  
Haven't you heard,  
That we're done for, done for?When I count down from ten  
You'll feel the lead in your lids  
You'll have no need to exist  
And wake up refreshed  
Hah!
