

# And Now We Dance

## The Vandals

Drowning in this toilet of shit they call life Work like hell at Taco Bell for \$4.25 an hour No one gives a squirt of piss if you fucking die So seize the day by the balls, and squeeze until it's on it's knees And now we dance like soldiers on the battlefield the only triumph in a moment of glory Crack your head open and sue somebody Cop a feel on a punk rock girl in bondage pants And Now We Dance You are just a speck in a universe of turds Silenced by conspirators, not another word. With ozone trees depleted, you choke on malathion.nothing fucking matters, so what's the use in tryin'? And now we dance like warriors on the victory trail only triumph in a moment of glory Crack your head open and sue somebody Come on and do push ups just like Jack Pallance And Now We Dance Never join the ranks of the kiss ass suit and tie or the stinking hippie, the future is worth a lie, nothing's worth a fuck, a fuck ain't worth a shit we're only gonna die, here's how we deal with it And Now We Dance like warriors on the battlefield only triumph in a moment of glory Crack your head open and sue somebody Cop a feel on a punk rock girl in bondage pants And Now We Dance we dance like warriors on the battlefield only triumph in a moment of glory Crack your head open and sue somebody Come on and do one handed push ups like Jack Pallance And Now We Dance
