In Search Of A Heart

Clannad

This heart of mine won't keep or believe in the secret
Like the moss on a stone
This heart of mine won't beat it just carries itself away
These parting times won't break me
Deserted times stop running backwards
Ar do chulThis form of love won't share or give in to a feeling with nothing to gain
No compromise in time you're so near and yet so far
These parting times won't break me
Deserted times stop running backwards
Ar do chulAnd when I turn in silence found what I say won't let you down
And when your call outside my door ends the searching
