

# In Search Of A Heart

## Clannad

This heart of mine won't keep or believe in the secret  
Like the moss on a stone  
This heart of mine won't beat it just carries itself away  
These parting times won't break me  
Deserted times stop running backwards  
Ar do chul This form of love won't share or give in to a feeling with nothing to gain  
No compromise in time you're so near and yet so far  
These parting times won't break me  
Deserted times stop running backwards  
Ar do chul And when I turn in silence found what I say won't let you down  
And when your call outside my door ends the searching
