

Look At Me (Terminalhead Remix)

[Geri Halliwell](#)

Good-looking, bad-tasting
Full-bodied, butt-wasting
Loose-living, tight-fitting
What you see ain't what you are getting
Big make-up, little break-up
She wants it, he's got it
Cold-blooded, hot gossip
Superficial expectationsLook at me
You can take it all because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing baby
I can even do realityFake money, real plastic
Stupid cupid, fantastic
Queer thinking, straight talking
What you see ain't what you are getting
Fast loving, slow moving
No rhythm, but I'm grooving
Old feeling, new beginning
Superficial expectationsLook at me
You can take it all because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing baby
I can even do realitySometimes I don't recognise my own face
I look inside my eyes and find disgrace
My little white lies tell a story
I see it all, it has no glory
HahahaLook at me
You can take it all because this face is free
Maybe next time use your eyes and look at me
I'm a drama queen if that's your thing baby
I can even do realityCome and look at me
This face is free
I'm your fantasy
Who do you wannabe?
Not what you see
I'm a drama queen if that's your thing
Come on and look at me
I'm your fantasy
This face is free

Come on and look at me
So who do you wannabe?
This is free...
