

# Tomato In the Rain

## Kaiser Chiefs

Like a tomato in the rain  
I got that feeling again  
Like a greyhound in a race  
I've got a rabbit to chase  
Roll under me  
No one's going down  
You got the remedy  
What's going around?  
Like a beetle on its back  
I've got to get back on track  
Or a police man on the tape  
Waiting down in the lane  
If the wheel comes off your car  
Hammer in a nail or two  
Before it falls apart  
Add in more nails and glue  
Yes, I do know about you  
Shall I come home?  
Yes, I do know about you  
Shall I come home?  
I got that feeling again  
I got that feeling again  
Roll around with me  
No one's going down  
You got our memories  
It all comes back around  
Yes, I do know about you  
Shall I come home?  
Yes, I do know about you  
Shall I come home, home, home, home?
