

Tight Rope

Jack Savoretti

When I'm down and out
Bruises on my knees
Emptiness and loneliness
My only company
You are the only one
You are the only one Who can help me make it through tonight
I'm not asking, I'm begging
I don't know if I'll ever win this fight
Walking a tight rope hanging over my memories
Help me make it across alive
Help me make it through tonight
All these things I do
All the damage done
I'm hurting myself and you
And you are the only one Who can help me make it through tonight
I'm not asking, I'm begging
I don't know if I'll ever win this fight
Walking a tight rope
Hanging over my memories
Help me make it across alive
Help me make it through The nevel(?) of my shoulders
Always get the best of me
I know its always been this way
But I know now it doesn't have to be
Help me make it through tonight
I'm not asking, I'm begging
I don't know if ill ever win this fight
Help
Walking a tight rope
Hanging over my memories
Help me make it across alive (make it)
Help me make it through
Help me make it across alive (make it)
Help me make it through
Help me make it across alive
Help me make it through
Help me make it across alive
Help me make it through tonight
