Lindisfarne II

James Blake

Beacon don't fly too high
Beacon don't fly too high
Beacon don't fly too high

Cute but I'll take the bus,
(Beacon don't fly too high)
With fees and favours gone
Cracks in savers pass,
And a white that sometimes shone
(Beacon don't fly too high)
Wanton borrowed gun
Wanton borrowed gun
Wanton borrowed gun

Beacon don't fly too high
Beacon don't fly too high

Cute but I'll take the bus,
With fees and favours gone
Cracks in savers pass,
And a white that sometimes shone
Beacon don't fly too high
Wanton borrowed gun
Beacon don't fly too high
Wanton borrowed gun
