One Last Dance

Freak Kitchen

Come closer, don't fear me,
I need you to be near me,
Much closer so you hear me,
Come closer,
Any chance, One Last Dance?Another precious day, another precious hour,
Another shot of morphine, and life gone sour.
It feels like a cruel joke, at my expense,
Struggle to come to peace while I'm drowning in turbulence.Come closer, don't fear me,
I need you to be near me,
Much closer so you hear me,
Come closer,
Any chance, One Last Dance?It's all so trivial, this whole transfusion thing,
Still I'm checking out positive as a fawney rig.
Would you do me a favor, since I'm running up and late (Running up and late),
My skin is thick and dying is a radical state.
Dying is a radical state.Come closer, don't fear me,
I need you to be near me,
Much closer so you hear me,
Come closer,
Any chance, One Last Dance?
Any chance, One Last Dance?Come closer, don't fear me,
I need you to be near me,
Much closer so you hear me,
Come closer, come closer.Any chance of One Last Dance? (Come closer)
Any chance of One Last Dance? (Much closer)
Any chance of One Last Dance? (Come closer)
Any chance of One Last Dance?
One Last Dance,
One Last Dance,
Come closer,
One Last Dance.
