

Stir It Up (Acoustic Medley)

Bob Marley & The Wailers

Ooh, stir it up
Little darlin', stir it up
Come on and stir it up
Little darlin', stir it up It's been a long, long time
Since I've got you on my mind
And now you are here, I say it's so clear
See what we could do, honey Just me and you, oh, we could stir it up
Little darlin', stir it up
Come on and stir it up
Ooh, little darlin', stir it up I push the wood (stir it, stir it, stir it, yeah)
I blaze your fire (stir it, stir it, stir it, yeah)
Then I satisfy your, your heart's desire (stir it, stir it, stir it, yeah)
Said I stir it, yeah (stir it, stir it, stir it, yeah)
Every minute, yeah (stir it, stir it, stir it, yeah)
All you got to do, honey (stir it, stir it, stir it, yeah)
Is keep it in and stir it up (stir it, stir it, stir it, yeah) Little darlin', stir it up
Come on and stir it up
Ooh, little darlin', stir it up
Yeah Oh would you quench me while I'm thirsty?
Oh, would you cool me down, when I'm hot?
Your recipe darlin', is so tasty,
And you sure can stir your pot, so Stir it up
Little darlin', stir it up
Come on and stir it up
Ooh, little darlin', stir it up
Come on and stir it up
Oh, little darlin', stir it up
Stir it up
Little darlin', stir it up
Stir it up
Little darlin', stir it up
Come on and stir it up
Ooh, little darlin', stir it up
Won't you just stir it up?
Oh, little darlin', stir it up
