

# Lesson Learned

## Alice In Chains

Just another lesson learned  
Wear a scar, a bore repeating  
Take a simple fateful turn  
Opened up to stop the bleeding Feeling like you never could  
Been the disconnected frying  
Hit the vein & struck a nerve  
Seeing through a self that's blinding Nowhere to buy in  
Most of us hiding  
Others are shining You know when you find it In your darkest hour, you strike gold  
A thought clicks, not the be-all end-all Just another lesson learned... Just another brick you toss  
Stone the number one deceiver  
Multiply the added cost  
Easy to become a believer Feeling like you never could  
Been the disconnected frying  
Hit the vein & struck a nerve  
Seeing through a self that's blinding Nowhere to buy in  
Most of us hiding  
Others are shining You know when you find it  
In your darkest hour, you strike gold  
A thought clicks, not the be-all end-all Just another lesson learned
