

Ain't Too Soon

Tucky Buzzard

Well being alone in friday night
and she asked me for a ride
she was looking for another man
and another place to hide
so I said hey baby ¿would you like to come home, see my quiet room?
there's so much that I can show to you
and ain't too soonwhen I got near she said "leave me alone"
you know you can't get nothing
but squeeze and stone
and now she is in my room singin sad old tunes
and she learnt something well: and ain't too soon
been alone a friday night
and she asked me for a ride
she was looking for another man
and another place to hide
so I said hey baby ¿would you like to come home and see my quiet room?
there's so much that I can show to you
and ain't too soonshe look to me to my surprise
my face craked to a smile
and I thought that she knew to scheme
she stayed around for quiet a while
she said: "hey babe you've must have read my mind cause I love to see your room,
you can show me something new
and aint to soon"I tell you one more thing
when I got to leave her
she said leave me alone
and you can't get nothing
but squeeze and stone
but now she's in my room
singing sad old tunes my, my, my
and she learnt something well
and ain't to soon...
nahh nahhh...(Organ Solo)
