Lights (b.lee Remix)

Ellie Goulding

I had a way then, losing it all on my own
I had a heart then, but the queen has been overthrown
And I'm not sleeping now, the dark is too hard to beat
And I'm not keeping now the strength I need to push meYou show the lights that stop me turn to stone
You shine it when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine it when I'm alone homeVoices, I play within my head
Touch my own skin and hope that I'm still breathing
And I think back to when my brother and my sister slept
In an unknown place, the only time I feel safeYou show the lights that stop me turn to stone
You shine it when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine it when I'm alone homeLight, lights, lights, lights
Light, lights, lights, lights
(Home, home)
Light, lights, lights, lights
Light, lightsYou show the lights that stop me turn to stone
You shine it when I'm alone
And so I tell myself that I'll be strong
And dreaming when they're gone'Cause they're calling, calling, calling me home
Calling, calling, calling home
You show the lights that stop me turn to stone
You shine it when I'm alone(Home, home)
Light, lights, lights, lights
Light, lights, lights, lights(Home, home)
Light, lights, lights, lights
Light, lights, lights, lights(Home, home)
Light, lights, lights, lights
Light, lights, lights, lights(Home, home)
Light, lights, lights, lights
Light, lights, lights, lights
