

Too Close (DJ Laortis Edit)

Ariana Grande

You're the one I want, I know what you done
I should be the one you love uh
Boy you got my mind, playing truth or dare
Daring me kiss you right here, Though we've been friends so long,
And it seems so wrong,
And everyone can see, you're perfect for me
But I just can't let it show I've been thinking about you
Boy it's killing me and I got to let you know
Baby tell me, do you feel it like I do
Cause we both know what could go down if we got too close
(ah, hah, ha)
Down if we get too close
(ah, hah, ha)
Down if we get too close Remember that girl, that you used to date
She with my ex-boyfriend, that's great
So what would you do, what would you say?
If I said I loved you that way? Though we've been friends so long, and it seems so wrong
And everyone can see, you're perfect for me
But I just can't let it show I've been thinking about you
Boy it's killing me and I got to let you know
Baby tell me, do you feel it like I do?
Cause we both know what could go down if we got too close
(ah, hah, ha)
Down if we get too close
(ah, hah, ha)
Down if we get too close All my ladies
All my ladies
All my babys
Make noise
All my ladies
All my ladies
All my ladies
Make noise
All my ladies
All my ladies
All my ladies
Make noise
All my ladies
All my ladies

All my ladies
Make noise I've been thinking about you
Boy it's killing me and I got to let you know
Baby tell me, do you feel it like I do?
Cause we both know what could go down if we got too close
(ah, hah, ha)
Down if we get too close
(ah, hah, ha)
Down if we get too close
