

# Beauty From Pain

## Superchic[k]

The lights go out all around me  
One last candle to keep out the night  
And then the darkness surrounds me  
I know I'm alive but I feel like I've died  
And all that's left is to accept that it's over  
My dreams ran like sand through the fists that I made  
I try to keep warm but I just grow colder  
I feel like I'm slipping away After all this has passed, I still will remain  
After I've cried my last, there'll be beauty from pain  
Though it won't be today,  
Someday I'll hope again  
And there'll be beauty from pain  
You will bring beauty from my pain My whole world is the pain inside me  
The best I can do is just get through the day  
When life before is only a memory  
I wonder why God lets me walk through this place  
And though I can't understand why this happened  
I know that I will when I look back someday  
And see how you've brought beauty from ashes  
And made me as gold purified through these flames After all this has passed, I still will remain  
After I've cried my last, there'll be beauty from pain  
Though it won't be today,  
Someday I'll hope again  
And there'll be beauty from pain  
You will bring beauty from my pain Here I am, at the end of me  
Tryin to hold to what I can't see  
I forgot how to hope  
This night's been so long  
I cling to Your promise  
There will be a dawn After all this has passed, I still will remain  
After I've cried my last, there'll be beauty from pain  
Though it won't be today,  
Someday i'll hope again  
And there'll be beauty from pain  
You will bring beauty from my pain
