Fall Back

Factory Floor

Did you feel like you were going to fall back?
Did you?
Did you feel like you were going to fall underground?Did you feel like you were going to fall high alone?
Did you feel like you were falling higher?
Did you feel like you were going to fall... high?Did you feel like you were going to fall... underground?
Did you feel like?
Did you feel like you were going to fall down?
Although you feel like you were going to fall higher,
Higher, higher, higher, higher, higher
Higher, higher, higher, higher, higher...Did you feel like you were going to fall back?
Did you feel like you were going to fall underground?
Did you feel like you were going to fall down?
Did you feel like you were going to fall back?
