You Take My Rights Away

Skillet

You take my rights away You take control, no stopping You You take my rights away, I can take itSee me let it go You are in control Suffer as we grow and we say and we say we don't want to Holding nothing You take everything You're worth anything at all, anything at allYou take my rights away You take control, no stopping You You take my rights away, I can take itYou take my rights away You take control, no stopping You You take my rights away, I can take itYou define me with your identity lose my life in You I can take, I'll take what it costs meYou take my rights away You take control, no stopping You You take my rights away, I can take itYou take my rights away You take control, no stopping You You take my rights away, I can take itYou're gonna take my rights awayYou take my rights away You take control, no stopping You You take my rights away, I can take itYou take my rights away You take control, no stopping You You take my rights away, I can take it
