Midnight Lady

Roland Kaiser

You think love is a game, love is a motion
Endless and so deep, always emotionI've got many ways, to reach tomorrow
Love will always grow, no pain, no sorrowWhen you take me in your arms, you can break me with your heart
I feel the magic of your charm, oh, you're tearing me apartMidnight lady, love takes time
Midnight lady, it's hard to find
Midnight lady, I call your name
I know you can ease my painMidnight lady, just you and me
Midnight lady, eternal
Midnight lady, I can fly in your arms
I'll get highMagic touched my life, I'm still dreaming
Anything before has lost its meaningHeaven in your eyes, my soul is on fire
Oh, my feelings grow, we can't go higherOh, I just want a girl, baby, just to call my own
And I just want to dream, I don't have to dream aloneMidnight lady, love takes time
Midnight lady, it's hard to find
Midnight lady, I call your name
I know you can ease my painMidnight lady, just you and me
Midnight lady, eternal
Midnight lady, I can fly in your arms
I'll get high
