

# Lord Give Me a Sign (Jazz Downed Remix)

DMX

Yeah, uh  
In the name of Jesus  
(that's right)  
No weapon formed against me shall prosper  
(preach)  
And every tongue that shall rise against me in judgment thou shalt condemn  
(preach)  
(Lord give me a sign)  
For this is the heritage of the servants of the Lord  
(preach)  
and their righteousness is of me, said the Lord.  
(preach)  
Amen Lord Give me a Sign!  
I really need to talk to you Lord  
Since the last time we talked the work has been hard  
Now I know you haven't left me  
But I feel like I'm alone  
I'm a big boy now but I'm still not grown  
And I'm still going through it  
Pain and the hurt  
Soaking up trouble like rain in the dirt  
And I know!  
Only I can stop the rain  
With just the mention of my saviors name  
In the name of Jesus!  
Devil I rebuke you for what I go through  
And trying make me do what I used to  
But all that stops right here  
As long as the Lords in my life I will have no fear  
I will know no pain from the light to the dark  
I will show no shame spit it right from the heart  
Cause its right from the start  
But you held me down  
And ain't nothing they can tell me now  
Lord give me a sign! [Chorus]  
Let me know whats on your mind  
Let me know what I'm gone find  
Its all the time  
Show me how to teach the mind

Show me how to reach the blind  
Lord give me a sign! Show me what I got to do  
To bring me closer to you  
Cause I'm gonna go through  
Whatever you want me to  
Just let me know what to do  
Lord give me a sign! Please show me something  
I'm tired of talking to him  
Knowing he fronting  
Crying bout life ain't nothin'  
But you either be the one mad cause you trapped, or the one huntin'  
Trapped in your own mind waiting on the Lord  
Or hunting with the word that cuts like a sword  
The spoken word is stronger than the strongest man  
Carries the whole world like the strongest hand  
Through the trials and tribulations you never let us down  
Jesus!  
I know your here with us now  
Jesus!  
I know your still wit us now  
Keep it real with us now  
I wanna feel show me how, please!  
Let me take your hand, guide me  
I'll walk slow but stay right beside me  
Devil's tryna find me  
Hide me, hold up I take that back  
Protect me and give me the strength to fight back! Let me know what's on your mind  
Let me know what I'm gone find  
It's all the time  
Show me how to teach the mind  
Show me how to reach the blind  
Lord give me a sign! Show me what I got to do  
To bring me closer to you  
Cause I'm gonna go through  
What ever you want me to  
Just let me know what to do  
Lord give me a sign! Life or death  
Live or die  
I will never live a lie  
I'm going there cause I try  
I won't quit until I die  
I'm gone make it wrong or right  
Make it through the darkest night  
When the morning comes you'll see  
All I have is God in me

(Lord give me a sign!)No weapon formed against me shall prosper  
For this is the heritage of the servants of the Lord  
In the name of Jesus  
Lord give me a signLet me know whats on your mind  
Let me know what I'm gone find  
Its all the time  
Show me how to teach the mind  
Show me how to reach the blind  
Lord give me a sign!Show me what I gots to do  
To bring me closer to you  
Cause I'm gonna go through  
What ever you want me to  
Just let me know what to do  
Lord give me a sign!Amen
