

# Always

Kristine Elezaj

No words to say to make it ok  
i dont want it this way  
but i feel you  
I made you believe  
that I never leave  
but baby I see you what you go throughB Section:

I lie  
and I don't know why  
part of me has died  
and now I live with the pain everydayChorus:  
He doesn't mean a thing to me  
my desire got the best of me  
can you tell I'm sorry in my eyes  
do you know in the end part of you  
will be with me always... alwaysVerse 2:

do you pretend deny or defend  
the truth to a friend when you see me  
i got nothing but love  
so is sorry enough  
my chances are up as they should beB section:

I lie  
and I don't know why  
part of me has died  
and now I live with the pain everydayChorus:  
He doesn't mean a thing to me  
my desire got the best of me  
can you tell I'm sorry in my eyes  
do you know in the end part of you  
will be with me always... alwaysBridge:

why did I have to fall in love  
why did I go and give it up  
why did I have to set you free  
for something I knew would never be-Submitted by Sawan
