Hope Against Hope

Charalambides

I'm bothered by the way you try to walk away
When I need to talk to you
It's not what you say, it's what you do
Just like you don't even careIt's all those little things
Whoa, that get to me
Won't let them get to me
Whoa, get to meRight now we've got to stop, little simple talk
Judging by my evil face
Is our friendship that meaningless to you
I'm not asking you to stayIt's all those little things
Oh, that get to me
Won't let them get to me
Oh, get to me
