Dancing in the Wind

Bardeux

Won't deny everything can't last
But it's closing in so fast
Thought that I'd figured it out at last
But you can't change the past
And it's closing in so fast
Feels just like we're dancing in the wind
Feeling just alright
When we're dancing in the wind
We can dance all night
Just don't walk away
When I've got you in my arms tonight
And I've got something to say
There are still rules to break
And this music is a place to hide
Isn't it just a game we play
Feels just like we're dancing in the wind
Feeling just alright

When we're dancing in the wind
We can dance all night
We can dance all night
We can dance all night
When we're dancing in the wind
We can dance all night
Feels just like we're dancing in the wind
Feeling just alright
When we're dancing in the wind
We can dance all night
We can dance all night
We can dance all night
When we're dancing in the wind
We can dance all night
We can dance all night
We can dance all night
When we're dancing in the wind
We can dance all night
