Do You Feel Like We Do

Peter Frampton

Woke up this morning
With a wine glass in my hand
Whose wine, what wine?Must have been a dream
I don't believe where I've been
Come on let's do it againDo you, you feel like I do?
Do you, you feel like I do?My friend got busted just the other day
They said don't walk
Don't walk, don't walk awayHe drove into a taxi bent the boot hit the back
Had to play some music
Otherwise he'd crackDo you, you feel like I do?
Do you, you feel like I do?Do you, you feel like I do?
How do you feel?
Do you, you feel like I do?Champagne for breakfast
And a sherman in my hand
Bright top, blue tails it never failsMust have been a dream
I don't believe where I've been
Come on let's do it again?Do you, you feel like I do?
Do you, you feel like I?Yeah, do you feel like we do?
Yeah, yeah, yeah, yeah
