I Am Woman

Musae

I am woman here me roar and I'm much too big to ignore
And I know to much to go back everyday
'Cause I heard it all before and I've been down there on the floor
No one's ever gonna keep me down again, ohh
Yes, I am wise but it is wisdom for the pain
Yes, I paid the price by look, how much I gained
If I have to, I can do anything, I am strong
I am invincible, I am woman
Well, a feet that fits so comfortably on your shoulder
Are the same one's that's gonna stand my ground, yeah
When all the muscle that you're buildin'
You must be strong enough to lift your standard
Make we wanna hang around, yeah
Oh, baby tell me what this is beyond the hugs and kisses

Why you gotta turn my smile upside down, yeah?
You use to say the amount of blessings
Now you say I P.M. sing
So I guess there ain't no point hangin' 'round, yeah
Well, I don't want to be no guy
Just want to be appreciated by the eye
Don't believe the packages influence, the contents
Kang a kanga me no lack off common sense
Weh me say, I don't want to be no guy
Just want to be respected by the eye
Don't let the style of the shadow lick redemption
Medress code no diminish meh potential
Weh me say, yo check it
