

He's a Heartache

Janie Fricke

Well, you cant deny how good he looks
I couldn't find another on the cover of a book
Believe me, well, I've almost loved him once or twiceBut dont be fooled by his innocent smile
Hes clever as the devil and just as wild
Hes crazy, but a little crazys kinda niceHes a heartache, lookin' for a place to happen
Lookin' for a little action
Livin' for the moment not for lovin'Hes a heartache, lookin' for a place to happen
Temporary satisfaction
If you try to hold on hes goneWell, I might as well tell someone else
I know Ill never have him to myself
Not likely, but I wouldn't mind just one more nightIf he wants to hold you, let it be
Dont pass up the opportunity
To know him, 'cause you wont forget him all your lifeBut whatever you do be wise enough
Not to fall in love'Cause hes a heartache, lookin' for a place to happen
Lookin' for a little action
Livin' for the moment not for lovin'Hes a heartache, lookin' for a place to happen
Temporary satisfaction
If you try to hold on hes gone, he's goneBut whatever you do be wise enough
Not to fall in love'Cause hes a heartache, lookin' for a place to happen
Lookin' for a little action
Livin' for the moment not for lovin'Hes a heartache, lookin' for a place to happen
Temporary satisfaction
If you try to hold on hes gone
If you try to hold on hes gone
If you try to hold on hes gone
If you try to hold on hes gone
