

# Like A Knife In The Back

## Twisted Sister

Come inside  
Take a seat or a ride  
We're so glad that you're here  
Now come on  
Have a drink of some coke  
Gasoline or some rope  
A guillotine?  
Are you gone?  
Don't turn around  
Ignore that sound  
Just lie on this rack  
Are you starting to crack?  
I need this like a knife in the back  
I need this like a knife in the back  
Hey, my man  
Can you feel, can you stand?  
That's a shame, really sad  
Do you want some more?  
Like to help if I could  
But I don't think I should  
I don't care  
Shall I pour?  
Just lay right here  
Nothing to fear  
All that you lack  
Will start fading to black  
Well, I need this like a knife in the back  
Well, I need this like a knife in the back  
Ain't it sad  
That he's dead?  
Was it something we said?  
Such a drag, what could we do?  
He was an ass  
Always smelling of gas  
Not at all one of us  
The chosen few  
He turned around  
And heard the sound  
Those with the knack

Get to run with the pack  
Well, I need this like a knife in the back  
Well, I need this like a knife in the back  
Well, I need this  
Well, I need this  
Well, I need this like a knife in the back
