

# Have You Met Miss Jones

**Joe Williams**

It happened; I felt it happened  
I was awake--I wasn't blind  
I didn't think; I felt it happened  
Now I believe in matter over mind And now you see we mustn't wait  
The nearest moment that we marry is too late "Have you met Miss Jones?"  
Someone said as we shook hands  
She was just Miss Jones to me Then I said, "Miss Jones  
You're a girl who understands  
I'm a boy who must be free" And all at once I lost my breath  
And all at once was scared to death  
And all at once I hold the earth and sky Now I met Miss Jones  
And well keep on meeting till we die  
Miss Jones and I
