Like Moths To Flames

How did it come to this?
A bitter taste is all I'm left with.
I'm losing all of my patience.

How did it come to this?
I'm I'm so wrong,
will you just let me know?
So, I can move on and go.

I just can't bring myself
to care about you,
you're somebody else now.

I'll make it through to live another day,
don't tell me I'm wrong.
You don't know what you have 'til it's gone.

I don't give a fuck,
about the way you're feeling.
Your mind is dead and empty.
There's nothing you can do.

Who will you be when the world gives up on you?
Who will you be when the world gives up on you?

And when there's no one else to turn to,
don't say I didn't warn you.

How did it come to this?
A bitter taste is all I'm left with.
I'm losing all of my patience.

How did it come to this?
If I'm so wrong,
will you just let me know?
So, I can move on and go.

I just can't bring myself
to care about you,

you're somebody else now.

I'll make it through to live another day.
Don't tell me I'm wrong.
You don't know what you have 'til it's gone.
You don't know what you have 'til it's gone.

I don't give a fuck,
about the way you're feeling.
Your mind is dead and empty.
There's nothing I can do.

Who will you be when the world gives up on you?
Who will you be when the world gives up on you?

I don't give a fuck.
