

# It's Good To Be Alive

## Babbie Mason

I am not worried about tomorrow  
For the Lord will work it out some how  
I am not \* down with sorrow  
Something good is gonna happen now  
Life is the great adventure  
Rise up, weâ€™re called to answer now  
Itâ€™s time to enjoy the ride  
Itâ€™s good to be alive  
Wide awake inside  
Iâ€™m looking at the world  
And now Iâ€™m not afraid to let my faith arise  
I believe this is the day that the Lord has made  
So open up your eyes  
Be taken by surprise  
Itâ€™s good to be alive  
Itâ€™s so good to be alive  
So put one foot in front of the other  
Step on out to be \*one of my friends  
Times to reach for life and take it by storm  
Times are throwing caution to the wind  
Life is a great adventure  
Donâ€™t let the invitation pass you by  
Time to rise and shine  
Itâ€™s good to be alive  
Wide awake inside  
Iâ€™m looking at the world  
And now Iâ€™m not afraid to let my faith arise  
I believe this is the day that the Lord has made  
So open up your eyes  
Be taken by surprise  
Itâ€™s good to be alive  
Yes, itâ€™s is, yes it is  
Breathe in, Breathe out  
No fear, no doubt  
Look up, hold on  
Let go, breathe out  
Itâ€™s good to be alive  
Wide awake inside  
Iâ€™m looking at the world

And now Iâ€™m not afraid to let my faith arise  
This is the day that the Lord has made  
So open up your eyes  
Be taken by surprise  
Itâ€™s good to be alive  
Wide awake inside  
Iâ€™m not afraid  
Noâ€™ noâ€™ no  
So open up your  
Cause Itâ€™s good to be alive  
Yes it is, yes it is  
I am looking at the world
