

Dance 4 Me

Prince

i like it when you dance for me.

helleuah, all funky congregation let us bow are head's in prayer. you thank the all mighty for you baby.
glory glory helleluah, i like it like it . i like it when you dance 4 me. i like when you dance cause it get's me hot
i like it when you shake everything you got. i like it when you dance cause it's so sexy.

i like it when you dance 4 me, i like i when you lay down all the laws, your the voice i hear on the telephone,
telling me all your deepest fantacie's.

Helleluah, i like it when you dance for me, i like it when you dance for me, i like it when i hear a knock on my
door, and you are standin there with christian dior. dark sunglasse's in the pale moonlight i like it when the
scene is right.

you can take your rock and lay it on the chair if any one find's it i dont care , what we do together make's
history, i lik eit when you dance for me . (2x)
helleluah, dance(3x) for me
