

Every Little Thing

Maxi Priest

Baby I love you
Always Always Always Every little thing about ya
keeps you on my mind
I never wanna be without ya
Baby always be mine
Cuz everytime I have to leave ya
It really breaks my heart
Cuz I don't wanna grieve ya
Or tear you apart
Cuz I know that girl like you
One in a million
And theres nothing that I wouldn't do
Cuz you give me that feelin
Its true
Every little thing about you
Baby it's true
Every little thing about you Every little thing about you From the first time I saw ya
I knew you would be mine
I knew that i had to get ya
Only just a matter of time
Cuz whenever I see you
You always blow my mind
And that's why I wanna love you
All the time
Its true
Everthing little thing about you -yeah
Baby it's true
Its what I love about you- yeah Every little thing about ya
Every little thing about ya Said I know that girl like you
One in a million
And theres nothing that I wouldn't do
Cuz you give me that feelin
Its true
Every little thing about you
Baby it's true
Every little thing about you
Said I really love you Every little thing about you
