Change

She Craves

I saw you yesterday and yesterday we were fine, so fine
Then I let you go today
Was it a big mistake?
Was I wrong, so wrong?

If I can't change, we can't stay the same
Where will we go I know in morning there's still rain

Time to shake the hour glass
Time is slipping fast through my life, Ohhh
And I break, love, it's time I go
So many places I have been you'll never know

If I can't change, we can't stay the same
Where will we go I know, in the morning there's still rain

If I can't change, we can't stay the same
Where will we go I know, the morning brings the rain

You gotta see it from my point of view
It's not that hard to do
You gotta see it from
You gotta see it from my point of view
It's not that hard, it's not that hard
I did it for you

If I can't change, we can't stay the same
Where will we go I know, the morning there's still rain

I can't change, we can't stay the same
Oh where will we go I know the morning there's still rain
