Sweet Surrender

Wet Wet Wet

Hey little fella
Get your show together
I was listenin' in before
Now I don't care no moreLook around now
(Look around now)
It's always that it's gonna get me down
It's only begun, yeahOne look is all it took
I remember that sweet surrender
I recall, do you?
That sweet surrender
Sweet surrenderMy determination
Came creepin' across the nation
Sure mistake for anyone
So you can't take home everyone
'Cause it's only just begunOne look is all it took
To remember that sweet surrender
And I recall, do you?
That sweet surrenderI don't know, I don't care
'Cause I'm livin' without you baby
Even when I know what's goin' onYeah, it only took, one look, one glance
To set my heart, set for romance
Do you believe my sweet surrender?
My sweet surrenderHey little fella
Now your show's together
I never wanted you to listen before
So why should I walk out the door?Stick around now
(Stick around now)
And so the story goes on through the night
It's only begunOne look is all it took
I remember that sweet surrender
And do you recall 'cause I do
My sweet surrenderI don't know, I don't care
'Cause I'm livin' without you baby
Even when I know what's goin' onYeah, all it takes, one look, one glance
To set my heart for romance
One look is all it took
My sweet surrenderThat sweet surrender, yeah
One look is all it took to remember
One look is all it took to remember

(I don't know and I don't care)
To remember
(I don't know and I don't care)
