

# Every Day

## Magic Man

Don't stop to worry, there's nothing worse  
When you're falling off the surface of the earth  
I start to wonder, how much you care  
When you're slowly disappearing up the stairs

Just turn around  
I can't believe that you would go without a sound  
Am I just waiting, waiting for the girl  
Who was there when I was drifting through the world  
Just to get some, get some love

Every day, every day, every day  
I want you in my life  
And I wait, and I wait, and I wait,  
I'll never give up, never give up hope

Every day, every day, every day  
I want to feel alive  
And I know, and I know, and I know

I keep on dreaming, but I'm wide awake  
Just counting down the hours to the day

You can't explain it, you don't read the signs, but  
Your life's already tangled up in mine

Just turn around  
I can't believe that you would go without a sound  
Am I just waiting, waiting for the girl  
Who was there when I was drifting through the world  
Just to get some, get some love

Every day, every day, every day  
I want you in my life  
And I wait, and I wait, and I wait,  
I'll never give up, never give up hope

Every day, every day, every day  
I want to feel alive  
And I know, and I know, and I know

I'll never give up, never give up hope

Never give up, never give up, never give in

I don't run this way, I don't play this game, I don't fall apart, when I feel the spark  
I don't run this way, I don't play this game, I don't fall apart, when I feel the spark  
I don't run this way, I don't play this game, I don't fall apart, when I feel the spark  
I don't run this way, I don't play this game, I don't fall apart, when I feel the spark

Every day, every day, every day  
I want you in my life  
And I wait, and I wait, and I wait,  
I'll never give up, never give up hope

Every day, every day, every day  
I want to feel alive  
And I know, and I know, and I know  
I'll never give up, never give up hope

Never give up, never give up, never give in
