Introducing Me

Camp Rock

I'm good at wasting time
I think lyrics need to rhyme
And you're not asking, but I'm trying to grow a moustacheI eat cheese,
But only on pizza, please
And sometimes on a home made quesadilla
Otherwise, it smells like feet to meAnd I, I really like it
When the moon looks like a toenail
And I love it when you say my nameIf you wanna know
Here it goes, gonna tell you,
There's a part of me that shows if were close,
Gonna let you see everything,
but remember that you asked for itI'm trying to do my best to impress
But its easier to let you take a guess at the rest,
but you wanna hear what lives in my brain, my heart
Well you asked for itFor your perusing,
at times confusing,
slightly amusing,
Introducing medo-do
do-do, do-do-do
do-do
do-do, do-do-do
la-da-da-da
la-da-da
da-da, da-da-da
da!I never trust a dog to watch my food
And I like to use the word dude
As a noun, or an adverb, or an adjectiveAnd I, I never really been into cars
I like really cool guitars and superheroes
And cheques with lots of zeros on themI love the sound of violins
And making someone smileIf you wanna know
Here it goes, gonna tell you,
There's a part of me that shows if were close,
Gonna let you see everything,
but remember that you asked for itI'm trying to do my best to impress
But its easier to let you take a guess at the rest,
but you wanna hear what lives in my brain, my heart
Well you asked for itFor your perusing,
at times confusing,
slightly amusing,

Introducing meWell, you probably know more than you ever wanted to
So, be careful when you ask next timeSo, if you wanna know,
here it goes, gonna tell you,
there's a part of me that shows if were close,
Gonna let you see everything,
but remember that you asked for itI'm trying to do my best to impress
But its easier to let you take a guess at the rest,
but you wanna hear what lives in my brain, my heart
Well you asked for it
For your perusing
At times confusing
Slightly amusing
Introducing medo-do, do-do
do-do-do
do-do, do-do
do-do-do
do-do, do-doIntroducing me
