How Sweet It Is

Behindtupfers

How sweet it is
To be loved by you
How sweet it is
To be loved by youI needed the shelter of someone's arms
And there you were
I needed someone to understand my ups and downs
And there you wereWith sweet love and devotion
Deeply touching my emotionHow sweet it is
To be loved by you, okay
How sweet it is
To be loved by youI close my eyes at night
Wondering where would I be, without you in my life
Everything I did was such a bore
Everywhere I went it seems I'd been there beforeBut you brighten up for me all of my days
With a love so sweet in so many waysI just wanna stop and thank you baby
I just wanna stop and thank you baby
I just wanna stop and thank you baby
I just wanna stop, thank you baby, babyOh baby, oh baby
How sweet it isYou were better to me than I was for myself
For me, there's you and there ain't nobody
Nobody, nobody elseHow sweet it is, oh God
To be loved by you
How sweet it is
To be loved by youHow sweet it is
To be loved by you
How sweet it is
To be loved
