Red Reflection

Spindrift

Come on, come on let's take a ride through the night
The lights go down and the moon, moon is bright
Far behind me where the city meets the sky
It's never over and I'm running out of time

ooh hoo
ooh hoo
ooh hoo

Cover the ground there was nothing to see
Shadows whispered through the trees
Red reflection at my side
To hold my spirit to the...

ooh hoo
ooh hoo
ooh hoo

Come on come on let's take a ride through the night
The lights go down and the moon, moon is bright
Far behind me where the city meets the sky
It's never over and I'm running out of time
