

Disassemble

George W. Bush

What you cannot see is not what it seems to be

Your life manufactured, to be disassembled

Disassembled...

Your world dehumanized, godless, desensitized

Your mind insignificant, god damned degradation

Falling down, breaking down

Falling down...

All comes...

Falling down, breaking down

Falling down...

All comes falling down

All comes falling down

Break...

I am your fate to bring your world of hate

To a final end for my existence

I will tear you down

Burn you to the ground

I will tear you down

Burn you to the ground

Falling down, breaking down

Falling down...

All comes...

Falling down, breaking down

Falling down...

All comes...

Falling down, breaking down

Falling down...

All comes falling down

All comes falling down

Your world will end

Your day is dead

Your time will end

Your world is dead
