Pretty in Scarlet

Guano Apes

Pretty in scarlet
So pretty in scarletWe slept a while
To turn it up and get it off our minds
I slept a while
To get it all
It seems allright
To find a place without a single life
Where is the night
We run intoCause nothing's good I can explain
I'm falling down and caught up the rain
I turn myself into changes
The night I kissed you goodbye
Cause nothing's good I can explain
I'm falling down and caught up the rain
To turn myself into changes
Your death is overYou wanna live a life pretty in scarlet
Come on
You wanna wash it down I'm pretty in scarlet
To myself to say goodbye
You wanna live a life pretty in scarlet
Come on
You wanna wash it down I'm pretty in scarlet
To myself to sayIt's ok
Doesn't count
For my place
Deeper sound
Let me dive alone
Let me dive aloneYou gave me wine
To poison me and take away my time
I can hear your cry
I wonder whyCause nothing's good I can explain
I'm falling down and caught up the rain
Cause I turn myself into changes
The night I kissed you goodbye
Cause nothing's good I can explain
I'm falling down and caught up the rain
I turn myself into changes
Your death is overYou wanna live a life pretty in scarlet
Come on

You wanna wash it down I'm pretty in scarlet
To myself to say goodbye
You wanna live a life pretty in scarlet
Come on
You wanna wash it down I'm pretty in scarlet
To myself to say goodbyePretty in scarlet
Pretty in scarlet
Pretty in scarletYou wanna live a life pretty in scarlet
Come on
You wanna wash it down I'm pretty in scarlet
(2x)Pretty
She's pretty
She's pretty
And I run, and I run, and I run, and I run awayAnd if you throw a stone on me
And if you need some pain to see
And if you live your lies
I will run, will run, will run, run awayAnd if you throw a stone on me
And if you need some pain to see
And if you live your lies
I will run
