Cloud 69

Lowell

[VERSE 1]
Like dynamite
Need a cheerleader
Let me throw you down
While I look at her
I'm like "Oh my god
I think I need a girlfriend"I'm like dynamite
Need a cheerleader
Let me throw you down
While I look at her
I'm like "Oh my god
I think I need a girlfriend"[CHORUS]
Fuck all you bad boys
You bad bad boys
You bad boys
You bad bad boys
You bad boys
You bad bad boys
Comin' on down cloud 69[VERSE 2]
I'm like dynamite
Exploding sweet
Take out your lips
And put em back here
I'm like "Oh my god
I wish I hadn't said that"I'm like dynamite
It's a gentle pull
You can let em wait
But you never feel full
I'm like "Oh my god
You know you need a girl
(girl girl girl girl girl girl girl girl...)"[CHORUS]
Bad boys you bad bad boys (x3)
Comin on down cloud 69Bad boys you bad bad boys (x3)
Comin on down cloud 69[OUTRO]
I'm goin up up up up
Won't you come with me
(x6)Bad boys you bad bad boys (x3)
Comin on down cloud 69
(x2)
