

Shark Attack (Captain Cuts Remix)

Grouplove

Yeah, I left my body in a sea of people, and that's just how I'll leave it
Yeah, I left my body in a sea of people, and that's just what I believe in
Yeah, we laughing like a Wednesday night
We ran across the interstate
And drank a bottle of vinegar
And then we stayed up really late
Bring me down, break it down in the hot, hot desert
This is where I wanna be
Bring me down, break it down in the hot, hot desert
This is where I wanna be
And I am what I am, a natural disaster
Pick me up at three, send me off to sea
And maybe I'll come back for you
See, I lost my clothes, I'm skinny-dipping
And I can't understand what I'm after
So as we lay upon this ground, I swear you look like Lucifer
But green is blue, and so are you,
And now we gone to Jupiter (Right now)
To Jupiter (Ah, shit)
Bring me down, break it down in the hot, hot desert
This is where I wanna be
Bring me down, break it down in the hot, hot desert
This is where I wanna be
And I am what I am, a natural disaster
Pick me up at three, send me off to sea
And maybe I'll come back for you
See, I lost my clothes, I'm skinny-dipping
And I can't understand what I'm after
Swim, swim, swim in a swimming pool
The sky is blue, the trees are too
Swim, swim, swim from green to red
Go to bed, you sleepyhead
Swim, swim, swim in your swimming pool
Like swimmers do, I'll call on you
Yeah, I met somebody in a sea of people, and that's just how I'll leave it
Yeah, I left my body in a sea of people, and that's just what I believe in
That's just what I believe in
That's just what I believe in
And I am what I am, a natural disaster
Pick me up at three, send me off to sea
And maybe I'll come back for you
See, I lost my clothes, I'm skinny-dipping
And I can't understand what I'm after
Swim, swim, swim
